OK, just let us know if you have any problems downloading it. It does not really require any special programs to download so I believe you will be OK but you never know.

Thanks, I've been trying to reach our help desk to see if that would work and they aren't responding.

Carolyn,

We have finalized the conceptual design document, however, it is rather large (72,352 KB).

Can you open documents using SendThisFile (www.sendthisfile.com)? If so, I can send it using that service. If not, please let me know how you would like to have it sent to you.

Thank you,
Chris
